

# Our Local Church

The Church local to our school is called St Mary Magdalene and is the Parish Church for Cottingham and Middleton.

The church dates from the 13th Century, although most of what we see now was built in the 15th Century.

A place of prayer for 800 years, St Mary's is a place where we can pray for and serve our community whilst welcoming all.

*'Living the Cottingham CofE values each day.'*
