

Welcome Back

Wow, I can't believe we are entering the final term of this academic year, it has gone so quickly!

As a school, we will continue to follow Government guidelines regarding Covid 19. Unfortunately some of the proposed changes in school have been delayed, but we are very much hoping some we can return to a more integrated environment in the not too distant future.

We have a jam packed term coming up, which include a trip to Burghley House, sports day and transition days. However, there is still a lot of learning to be done, and we will not be taking our foot off the pedal!

Please remember our school's expectation that MyMaths homework is completed every week. This is being monitored as a school.

Thank you,
Mrs Lloyd

Class: Beech

Term: 6

Non-negotiables

This term, maths homework will continue to set via MyMaths every Friday, to be completed by the following Friday. Children should also be reading on a daily basis. Termly spellings will be also be sent home. These are organized into weeks however please review these frequently. Finally, please continue to practice your times tables. This can be done on Times Tables Rock Stars or anywhere you choose!

Quest: The Tudors

Living in Tudor times, would you rather be rich or poor?

We will be continuing our Quest into the final term, culminating in our trip to Burghley House. We will be debating our Quest question and creating an alternative healthy Tudor picnic for our day trip.

Homework ideas

As always, we are sharing a range of ideas for you to support the children with their learning quest work at home.

Along with our weekly non-negotiables, children could re-search all about Eastern European Countries. The can also continue their research about the Tudors, ready for our visit to Burghley House.

PE

With the weather warming up, we will try and do as much of our PE outside as possible. We will be focusing on health and fitness, which will help our preparation for sports day.

Beech Class' PE days will continue to be **Tuesday and Wednesday**. Please can children come to school in PE kit on these days.

Significant person

Our significant person for this term is Nicola Tesla. We will be looking at what made him so influential to today's society and how his inventions are driving a shift in the motor industry.
