

## Welcome Back

Welcome back to a new term at Cottingham. I hope you have all had a lovely and restful Easter holidays and the children are raring to go. I am looking forward to welcoming the children back. This term we will continue to use the same format of these parent documents to inform you about what is taking place in Oak class each term. In the meantime, if you have any questions or worries, please don't hesitate to contact me either at school or through email. I hope that the children have a really positive term.

Class: Oak

Term: Summer 1

## Homework

This year in Oak, maths homework will continue to set via MyMaths every Friday, to be completed by the following Friday. Children should also regularly be practicing their times-tables on TTRS. Weekly competitions are set between the classes. In Oak class we also have our own leaderboard where I will be looking for the top 5 children each week. Children should also be reading on a daily basis. Termly spellings will be sent home at the start of each term for the children to practice. These are organised into weeks however please review these frequently. A spelling bee will then take place at the end of the term based on these spellings for a chance to win counters for your child's team. This term in Oak class, we have now set a day of the week/time for children to change their banded reading book. This will be **every Thursday afternoon**. If your child is not ready to change their book on this day then this is not a problem.

## Collective Worship

Collective worship will take place this year on a Monday and Wednesday, with our celebration worship taking place on a Friday as always. We will also have class worship on a Tuesday and a Thursday.

Please follow @CottinghamCofE and @Miss\_Hum for daily news and updates regarding the super children at Cottingham CofE Primary School. takes just a few minutes to log in and sign up.

## Significant person

This year we will continue to introduce to our curriculum a significant person. This is a person who has had a strong impact on our way of life or culture and that we think would be important for the children to know about. For this term, we have chosen Thomas Edison who is well known for inventing the lightbulb along with a number of other things such as the motion picture camera, stock ticker, battery for the electric car, a mechanical vote recorder and the phonograph. He was an excellent engineer.

## Quest: Senses/Invaders

Over the term we will be learning about senses for the first half of the term. The second half of summer term 1 the children will be learning about invaders in our quest lessons

## PE days

This term, PE in Oak will be taught by both Miss Hurn and Mr Stafford and will take place on a Tuesday and Thursday afternoon. Children will be allowed to come to school in their PE kits on these two days.

## Homework ideas

As always, we are sharing a range of ideas for you to support the children with their learning quest work at home. Our quest for this term is about

We will also be learning about Thomas Edison in our learning quest this term, your child might want to find out more about our significant person by finding out why they are famous and what impact they had.
