**Sports Activity**
Our experienced leaders deliver a range of sports including football, hockey, tennis, archery, dodgeball, basketball and fencing, enabling the children to learn new skills while having lots of fun!

**Arts and Crafts**
Our creative activities include jewellery design, junk modelling, face painting, hair and beauty, all designed to help your child express their creative side.

**Food Technology**
Children will learn basic cooking techniques and the importance of healthy eating habits. We teach these valuable life skills in a relaxed, friendly environment which will encourage, curiousity about the food they eat and getting busy in the kitchen at home.

**Performing Arts**
Dancing, acting and music are proven ways of building confidence in young people. Our classes focus on expression through voice, movement and role-play and are delivered by fully experienced leaders.

**Construction – Lego, K’Nex, Meccano**
A place where naturally curious kids can develop their creative imagination and reinforce tactile building skills by designing and building their own creations or follow simple to intricate plans building well know structures such as London Bridge, Space stations and various forms of transport, depending of the focus.
